CALL FOR PAPERS

International Conference on Computing, Networking and Communications (ICNC), Sponsored by Technology Innovation Association, is a premier conference in the computer and communication fields. ICNC 2018 is to be held in **Maui, Hawaii** during March 5-8, 2018. We invite you to submit your technical papers to the following areas:

- Cognitive Computing and Networking
- Multimedia Computing and Communications
- Cloud Computing and Big Data
- Social Computing and Semantic Data Mining
- Green Computing, Communications and Networking
- Mobile Computing and Vehicle Communications
- Internet Services and Applications
- Optical and Grid Networking
- Network Algorithms and Performance Evaluations
- Communications QoS and System Modeling
- Communications and Information Security
- Signal Processing for Communications
- Wireless Ad Hoc and Sensor Networks
- Wireless Communications
- Wireless Networks

Papers are required to be submitted via EDAS (<http://edas.info/N23373>). It is required that the manuscript follows the standard IEEE camera-ready format (double column, 10-pt font) as well as the requirement set by EDAS paper submission system. The maximum length of ICNC paper without over-length charge is FIVE (5) pages. The authors are allowed to pay for up to TWO (2) additional pages with over length charge. Submitted papers may not have been previously published in or under consideration for publication in another journal of conference. The organizing committee of ICNC 2018 reserves the right to not review papers that either exceed the length specification or have been submitted or published elsewhere. Submissions must include title, abstract, keywords, author and affiliation with email address.

All submitted papers will be reviewed by the TPC team and judged on originality, technical correctness, relevance and quality of presentation. An accepted paper must be presented at the conference. Each full registration covers up to two papers by an author. All accepted papers of ICNC (main program and workshops), after being presented onsite at the conference, will be included in the proceedings.
